44 Hectares of Ultimate Country Living with Room to Grow

Escape to your own slice of paradise with this incredible 44.1 hectare property, offering the perfect blend of modern living and country charm. Whether you're looking for a spacious retreat or a place to indulge your passions, this property has it all.

The home is a beautifully designed barn style residence, less than 5 years old, with a fresh, modern feel throughout. Inside, you'll find three spacious bedrooms, perfect for families or anyone who values room to move. The open plan living area is light and airy, with large windows that frame the stunning views of the surrounding countryside. For added comfort, the home features a cosy woodfire, perfect for warming up on cooler evenings. The property is fully off grid, with a solar system powering the home, and an impressive 86,000 litres of tank water to ensure you're always well supplied.

With approximately 20 hectares of fenced pasture, there's more than enough room to accommodate motorbikes, cattle, horses, sheep or any other animals you may desire. The land is also equipped with new electric fencing and multiple sheds for all your storage needs, providing plenty of space for tools, equipment or hobbies. The fenced area around the house ensures pets and children can roam freely and safely. And the views? Simply amazing, with panoramic vistas from nearly every angle.

Just 25 minutes from both the beach and Launceston, you'll enjoy the best of both worlds: the privacy and space of rural living with easy access to the coast and city conveniences. If you're seeking a true country lifestyle with room to grow, this property is a must see. Don't miss your chance to secure this exceptional piece of land with so much to offer!
