1012 SQ M FREEHOLD BLOCK - IMPRESSIVE FRONT DECK - INTERNAL STAIRS - 13Kw SOLAR

From the front deck you step into the 'L' shaped lounge, dining and kitchen area. Perfect layout for family living. The modern kitchen comes into view and dreams are realised. The island bench complements this area to perfection. With bench preparation space and excellent cupboard storage to keep everything in place. The lounge room with split system air conditioner will cool this whole area. Adjacent is an extra room perfect for study area or when guests stay over. The bathroom has a separate shower to the bath with separate toilet located nearby. Air conditioning and built-in wardrobes to two bedrooms completes the top level of this home. From the hallway internal stairs gives access to either side of underneath. This area is impressive with massive storage plus car parking area. Stepping outside the backyard goes on and on. Limitless possibilities with what can be achieved out here and will make this home your family's dream retreat. More photos coming.
