BEST VALUE FOR MONEY HOME IN BEGA!

Perfect for first-time buyers or investors, this newly renovated 3-bedroom home, located close to schools, shops, healthcare facilities, and Tathra beach, is a fantastic opportunity to enter the property market or rent out.

Step inside to a spacious living area with woodfire heater, connecting to a good-sized kitchen with new oven, and abundant natural light. The home includes 3 bedrooms, a neat bathroom with new vanity and toilet, and an internal laundry with lots of storage leading out to the backyard.

The backyard is fully fenced, with room for a pet, and large enough to enjoy a vegetable garden and BBQ area for entertaining your friends and family.

Newly renovated, the hard work is done – freshly painted, new carpets and light fixtures, and polished floorboards.

A carport for your vehicle and an undercover front porch with a pretty front yard, makes this property complete.

Rarely does a renovated 3-bedroom house hit the market at such an attractive price!
