Elevated and Updated in a Prime Position

Cleverly designed to make the most of its elevated vantage point, this traditionally spacious and impressively updated property is a traditionally spacious opportunity that is ready to house the entire family.

Enjoying a warming north-facing aspect, you're welcomed up the stairs by a sun-drenched front porch and inside to a formal entrance hall that connects to all parts of this flowing floor plan.

A formal living and dining area provides plenty of room to relax or entertain, while the upgraded kitchen has quality timber benches, stainless steel appliances and an adjoining meals space.

Bedrooms with robes are housed away from the main living zones, the master has its own en-suite while the magazine worthy main bathroom is top to bottom luxury incorporating a semi-frameless shower, free-standing bath and sleek floor-to-ceiling tiles.

Before you head outside, downstairs you'll discover an expansive open plan second living, dining and kitchen area, ideal for the extended family or for use as a rumpus/retreat.

Covered outdoor entertaining is enclosed for use all year around and provides the perfect place to supervise the kids and pets exploring the private backyard.

Gas ducted heating, a cellar/store room, double garage/workshop, plus a study/office area are just some of the inclusions here.

Within walking distance to Bulleen Heights School, Templestowe Valley Primary School and local bus stops, close to Bulleen Plaza, Aquarena Aquatic Centre, Macedon Plaza and Westfield Doncaster Shoppingtown, with easy access to Thompsons Rd, High St, Manningham Rd, Williamsons Rd, Doncaster Rd and the Eastern Freeway.
