Do you envision bringing your family home to a property that's charming, contemporary and spacious enough to welcome guests into its happy fold? Moreover, a visit will delight with established gardens, open paddocks and fabulous infrastructure.

The double brick home, set on 7.5 acres, has been lavished with love in recent years, showcasing a renovated kitchen with a 900mm Westinghouse oven with an induction cooktop, a Bosch dishwasher and sleek stone surfaces. Contemporary bathrooms include heated floors and stylish finishes, with the family bathroom complete with a relaxing bath.

The adaptable floorplan is designed to grow with your family, and it's sure to become the go-to spot for teenagers and their friends! There are three inviting living areas. A huge enclosed alfresco space is perfect for year-round gatherings and is complete with heating, a television point and blinds that can transform the space from open to enclosed.

Curved brick archways and a cosy wood heater retain the original wished for charm, while modern conveniences like two split systems, plantation shutters, easy-care vinyl plank flooring, fresh carpet and new curtains enhance your comfort.

The master bedroom features an ensuite, walk-in robe and ceiling fan while the further three bedroom boast double robes.

This property is not just about the home; it offers an incredible lifestyle. Tucked away at the end of a long driveway within a peaceful parkland setting, it boasts an established feel that only time can provide.

Imagine mowing a cricket pitch for Christmas fun on the expansive lawn or enjoying evenings around the fire. The large shed includes a store room and integrated carport, plus there's a hayshed and a charming cubby house for the kids.

With 90,000 litres of water held in tanks and ample firewood chopped and stacked to last for the next seven years, you'll be well-prepared for any season.
