Marvellous Family Home of Luxurious Scale & Craftsmanship

Generously scaled for family comfort, this spectacular home assures lifestyle excellence with thoughtful inclusions and an eye for designer details.

Set on an 470 sqm block, this is one of the larger duplex homes on the market, featuring a superb alfresco entertaining area overlooking lush lawn. The width of the block translates into spacious rooms, exemplified by a stunning living zone with high ceilings, large flatscreen TV and an entertainers' kitchen with a butler's pantry. Designed to address the family's long-term needs, the five-bedroom floorplan features luxe bathrooms with bespoke marble expressions, plus a bedroom with ensuite on each level, while upstairs offers another king-sized room at the rear with its own balcony retreat. Lined with mirrors and storage, the spacious garage displays an immaculate finish, inviting you to use part or all of it as a gym, while the home also offers peace of mind with CCTV cameras, modern security/alarm systems and a quality WiFi system.

It is located in a premier street, an easy walk from Bexley Park and the aquatic centre, while Sydney Technical High School (selective), Bexley shops and Hurstville Westfield are also easy to access.
