Modern Cottage in Ideal Location

Located only moments to town in a private location, this home is a modern interpretation of the classic Highlands cottage. Contemporary and chic, this home boasts 3 bedrooms, 2 bathrooms including sleek ensuite and seamless indoor/outdoor flow from the main living and dining room to the oversized, covered hardwood timber deck and level yard. The home is built with a steel frame, double glazed windows and timber floors and the kitchen with convenient breakfast bar features a large walk in pantry and views of the north facing yard.

Situated well back from the road, with ample off street parking and an additional studio or home office with storage, this property has been designed with easy living and convenience in mind and has been beautifully and thoughtfully landscaped for year round enjoyment.
