Cute and Renovated with Endless Potential

Experience peaceful country living in this beautifully updated home, set on an immaculate 1.2-acre block. Tucked behind electric gates and surrounded by vibrant gardens, this property offers a rare blend of privacy and convenience in a serene, natural setting. Designed for flexibility, the layout can suit a two-bedroom arrangement or a one-bedroom plus study setup, allowing it to adapt to your unique needs.

Inside, the home has been meticulously modernized with fresh, stylish updates throughout, including a brand-new kitchen and bathroom that perfectly complement the home's bright and airy interiors. The living area is a true highlight, with picturesque views of the enclosed yard and beyond. For year-round comfort, enjoy ducted cooling, an electric fire for added ambiance, and a wood fire heater for those cozy winter nights.

We aren't going to pretend this is a huge and spacious home, but it is comfortable and would be an ideal first step into acreage property for those with a smaller budget.

This property offers an incredible opportunity, whether you choose to live here as is, extend the existing footprint, or keep it as a guest home while you build your dream residence. With a peaceful and private location, this home is a must-see to fully appreciate its charm and limitless potential.
