Great location

Joyce street is situated just behind the Hospital away from the busy areas, being an easy walk to the river, town centre or approx 270 meters from the local IGA.

The duplex is situated on a generous allotment measuring approx 612m², the home offers three bedrooms, one bathroom that would accommodate a wheelchair, upgraded kitchen & meals area with a lounge area to the front of the home.

Entertaining is taken care of with an approx 34m² rear pergola partially enclosed complete with wood pizza oven. While housing the cars is made easy with a double carport and an approx 40m² enclosed shed.

Being a generous allotment you still have room in the back yard for the family afternoon entertainment.
