Let your imagination run wild on this exclusive, rare find! Situated at the gateway to the peninsula, this gated residence offers loads of parking for trucks, caravans, trailers etc and has shedding with workshop areas. There is also rear access from the side of the home. The house is the original station master's cottage that oozes with character with high ceilings, floorboards, 3 bedrooms, master with ensuite, lovely kitchen and spacious lounge. There is another multi-purpose room/studio on the opposite side of the courtyard that could be utilised as a bedroom, rumpus etc. The entertaining area is huge and manicured lawns are set up as a putting area. Privacy and position are key and there is huge scope for further improvements if desired. A must to inspect; call to arrange your viewing today!
