Brand New Monumental Masterpiece in GWSC Catchment

Luxurious, timeless and displaying an unwavering commitment to quality, this grand scale 5 bedroom, 5 bathroom contemporary showpiece eloquently brings a new level of class to Glen Waverley.

Finished to elite standards, this stately home matches its magnificent proportions with the inclusion of herringbone flooring, plantation shutters, high ceilings and custom joinery. Welcomed by grand double entry doors, a long corridor leads to a free-flowing living/dining area, accompanied by a separate family room and lavish entertainer's kitchen, flaunting premium Bosch appliances including coffee machine, island bench, illustrious stone surfaces and Butler's kitchen.

Each bedroom is over-sized and fitted with a striking fully-tiled ensuite and WIR, including one of the ground floor and an extravagant master suite with balcony, capturing beautiful northern sun.

First class living is further complemented by a private alfresco, exclusive light fittings, heating/AC, open study, upper-level retreat, elegant wrought iron stair case, keyless entry, auto entry gate and double garage. Prominently located in the GWSC and Mt View Primary catchments, moments to Hinkler Reserve, The Glen, Kingsway, Glen Waverley train station and Wesley College.
