Architect-designed brand new luxury residence

An architect-designed residence of brand new luxury and high-end appointments, this home is a beautifully finished example of double brick quality and concrete slab construction, fully integrated with smart home features. From HSquare Architects, it offers a layout of separate living spaces to suit a dynamic household or family life, its adaptable floorplan offering moments of quiet privacy or communal entertaining. With a NE-facing aspect set to leafy backdrops over the bushland neighbourhood, it's perfectly orientated for natural light and green scenes throughout. In a desirable location, a short walk to Field of Mars Reserve, North Ryde area, Victoria Road transport and more.
