FIRST VIEWING TUESDAY 3RD DECEMBER 5.30PM

Looking for that special home in the original part of the Jarrahdale town?

Then this may just be the one! Absolutely stunning home set on 1000sqm block that has been used to its fullest potential. The moment you step onto the property, you will see the love and care that has gone into making this truly something special.

THE HOME

Step inside to a world of charm and warmth this this gorgeous home just oozing charm and character. It has been fully upgraded with a bright, functional kitchen as well as an open dining and living area.

The 2 bedrooms in the main house are spacious and light.

The bathroom and laundry have been fully renovated as well so there really is not a cent extra to spend here.

The carport is huge and there is room for 3 cars under cover.

THE STUDIO/TEENAGE PAD

The fully council approved studio/teenage pad has been delightfully decorated and is complete with air conditioning. It would make a great games room, 3rd bedroom or just a fabulous guest room.

Vaulted ceilings and a large floor area add to the functionality of the room.

OUTSIDE

Where to start? The outdoor entertaining area off the kitchen is simply stunning. Filled with features, it is sure to generate plenty of discussion as you sit there, slightly elevated, soaking in the environment.

There is a work shop off the the other corner of the house that has plenty of room for garden tools storage or what ever you have.

All this a bit much to take in? No problem, just relax in the spa and after that the sauna. You could even do the sauna first, then the spa.....your call.

Access is super convenient with double gates to the carport as well as a second set of double gates leading to a huge area to park the caravan, boat or whatever toy you may have.

JARRAHDAL

This is magical place to live. Set apart from the hustle and bustle of suburbia and city life, it is a great place to live and wind down.

Yet it is not too far from the CBD - 45 minutes and with the trains soon running to Byford, transport will become that much easier.

Numerous walk trails, Serpentine National Park, Munda Bidi Cycle Trail, Serpentine Dam are but just a few of the nature based activities that can be enjoyed.

Relax with a fine lunch at Millbrook Winery or if you are after something a little less formal, the Jarrahdale Tavern, Local Post Office Kitchen or Cafe 701 all offer awesome menus.
