Contemporary Luxury In Alexandra Headland's Prestigious Golden Triangle

Welcome to 5-7 Tantula Road East, a flawlessly rebuilt and reimagined family sanctuary that sets a new standard for modern luxury and sophistication.

With only the original slab and a few external walls retained, this home has been completely transformed, blending striking design, premium finishes, and innovative features to create the ultimate lifestyle retreat.

Boasting five generously proportioned bedrooms, including two opulent master suites (one upstairs and one downstairs), three sleek bathrooms, and a convenient powder room, this home offers exceptional comfort and versatility for families of all sizes. Work from home with ease in the dedicated study or enjoy the functionality of a cleverly designed study nook/mudroom.

Multiple indoor and outdoor living areas make this property perfect for relaxing and entertaining, from intimate family gatherings to larger celebrations.

The heart of the home is the breathtaking designer kitchen, fitted with state-of-the-art appliances including a Gaggenau 90cm flush induction cooktop, pyrolytic oven, fully plumbed combi steam oven, and a Bosch integrated microwave. An integrated Fisher & Paykel fridge/freezer, Franke sinks, and a striking Rose Gold Zip Tap offering cold, boiling, and sparkling water further elevate this space. A butler's pantry and a second integrated fridge/freezer in the laundry provide practicality and convenience, making this home as functional as it is beautiful.

Inside, every detail has been designed for comfort and luxury. Warm oak flooring flows throughout, complemented by Brodware taps with a 20-year warranty, Norman Copenhagen pendant lighting, and an electric blind in the master suite. The Velux skylight floods the home with natural light, automatically closing in the rain for added peace of mind. With six split-system air conditioners, a laundry chute, and a 10kW solar system, this home combines modern convenience with eco-friendly living.

Step outside to a spectacular blackbutt timber deck, where you can host guests in style. With privacy-enhancing aluminum shutters, a cantilevered roof with blackbutt lining, and seamless access to the sparkling pool with a new glass fence, this space is an entertainer's dream. The property is framed by meticulously landscaped gardens, complete with silver travertine tiles in a chic French pattern, and features new modular fencing with a statement knotwood gate.

Nearby, you'll also discover excellent schools, parks, and recreational facilities, making this an ideal location for families. The proximity to major transport routes ensures easy connectivity to the broader Sunshine Coast and Brisbane, adding to the appeal of this exceptional property.
