This property is NOT PET FRIENDLY. Perfectly situated in the rural suburb of Thirlmere is this stunning four-bedroom home features two generous-sized bathrooms and a double garage with internal access and good sized secure backyard for the kids to play. The master suite offers everything you could need and more sitting quietly at the rear of the home. With plush carpet, and ducted air-conditioning. The walk-in robe offers plenty of hanging space. The ensuite boasts an oversized vanity and spacious shower. The remaining three bedrooms are all spacious and come complete with built in wardrobes. The Second bedroom does have a walk in robe. Located in close proximity to the three bedrooms is the main bathroom. Boasting a single vanity, large free standing bath and a large shower. The kitchen comes with everything you would expect from a house of this quality, including laminex island benchtop with breakfast bar, stainless steel cooktop, ample cupboard space, fridge alcove over looking the living area and out to the backyard. Adjacent to the kitchen is a large open plan living and dining space, which is amplified by the amount of natural light which fills the space. It also offers direct access to the covered alfresco and extremely low maintenance good sized backyard. You will an additional living space in the formal or a generous sized media room off to the left as you enter the wide entrance hallway of the home. If this sounds like the perfect home for you please come along to the viewing. Disclaimer: All information contained herein is gathered from sources we deem to be reliable.
