At the front of the house, you'll find a generous air-conditioned living room filled with natural light, thanks to its sunny northerly aspect. The updated kitchen offers ample cupboard and bench space, including a large corner pantry. It seamlessly connects to the informal dining area, with both spaces overlooking the inviting pool.

The home features 3 well-sized bedrooms, each equipped with ceiling fans and built-in robes for plenty of storage. The skylit bathroom boasts a large corner bath, providing a perfect retreat for relaxation.

An internal timber staircase leads to a versatile downstairs rumpus room, ideal for use as a teenage retreat or home office, complete with its own bathroom for added convenience.

Other standout features include solar panels, a separate office space, and both front and rear decks. The large covered alfresco dining area, measuring 4 x 4.5, is perfect for hosting friends and family for outdoor gatherings.

Located just a short stroll from Glendale East Public School, this home is also less than 3km from Cardiff's CBD and Glendale Shopping Centre, giving you easy access to cinemas, sporting fields, supermarkets, and specialty shops.
