Crafted in 1920, this home is a true time capsule of charm and character, meticulously preserved yet updated with modern comforts. As you walk up to the property, the mature gardens invite you in, setting the stage with lush greenery and vibrant blooms that have been lovingly maintained over the years. A cozy front deck greets you upon arrival—a perfect spot to unwind at the end of the day, where you can relax and enjoy the gentle breeze as it rustles through the trees. Stepping inside, you'll be welcomed by rich timber floorboards that run throughout, lending warmth and history to each room. High, soaring ceilings and classic VJ walls enhance the sense of space, while split-system air-conditioning in every room ensures you stay comfortable year-round. At the heart of the home, the kitchen effortlessly blends old-world charm with modern functionality. Featuring an electric cooktop, a convenient dishwasher, and ample storage, it's a space designed for both cooking and gathering, where you can enjoy everything from family meals to quiet mornings with a coffee. The bathroom offers a shower-over-bath setup and thoughtful storage, combining vintage touches with contemporary convenience. And with four spacious bedrooms, each equipped with its own split-system air conditioning, everyone has a cool, comfortable retreat. To top it all off, the home is powered by a 5kW solar system, providing energy efficiency and a modern edge to this classic property. This is more than a house—it's a piece of history with all the comforts of today, ready for its next chapter.
