Set on a 1.0ac block, 5 Chandler Lane offers its next custodians a secluded home with stellar rural views to the southeast over the valley. The brick residence generously offers three internal living areas, with most notably being a sunroom with peaceful views of the southeast valley. The rear entertainment area offers a versatile area due to its sheer size, if desired the area could be used as a master suite, rumpus room or home office. For climate control the home features a wood fire heater and a Fujitsu Reverse Cycle. In recent months, the home has undergone revitalization with all new internal paint, new floor coverings and a newly renovated ensuite to name a few. The home features three bedrooms & two bathrooms. The master suite offers a spacious walk-in wardrobe and newly renovated ensuite. Outside you will find a plethora of colour due to the homes well-established gardens. Just a short walk from the residence towards the back of the property there is a small dam for water storage with a pump installed to supply a tank near the residence. Alternatively, the dam also provides an ideal spot to relax by the water and take in all that 5 Chandler Lane has to offer. To Declare Your Interest Contact The Exclusive Agent Keanu Young Today!
