DELIGHTFUL HOME IS WELL PLACED BEAUFORT LOCATION

Position perfect in the heart of central Beaufort walking distance to schools, medical and shops is this charming and well presented period cottage that still retains many features from its original construction circa 1920s. The front living space is a delight and still has the original wood fire. The kitchen/second living area is a real example of harmony and good use of space, complimented by a large island bench and s/steel oven and second wood fire, this large light space that incorporates two skylights that allows the sun to stream through all year round. The home boasts 3 bedrooms of varied size, the bathroom with the shower over the bath. With wooden floors and architraves, brick features, original chimneys and a unique style, this home has a cosy feel and genuine warmth. Externally on the approx 970sqm block utilise the rear yard that is filled with a variety of matures trees and gardens and varied shedding, also space for multiple vehicles. Rear access is also an option if the new owner chose to do so. Be first to inspect today.
