Palm Springs meets Highfields - FOUND Your Dream Pad

Auction Location: Auction On-Site

If you've been searching for a home that's anything but ordinary, stop scrolling – you've FOUND it! Welcome to 5 Kahibah Road, where retro Palm Springs charm meets sleek, modern living in a space that's equal parts quirky and stylish.

Right from the curb, this home's got personality. That retro front porch? Bathed in natural light, it's practically begging for you to sit back with a morning coffee or a cheeky afternoon spritz. Inside, it's all about flow and fun – think open-plan living with a massive entertainer's kitchen that gives “dinner party central” with its oversized island bench, gas cooking, and all the space you need to be the host with the most.

And let's talk about that living area: floorboards throughout, a fireplace with a sleek exposed black steel flue, and the kind of warmth that'll make you want to stay in all winter.

The main bedroom keeps things effortlessly cool with polished floorboards and a built-in robe, while the two additional bedrooms offer carpet for extra cosy vibes. Oh, and that main bathroom? It's got a freestanding bathtub just waiting for you to soak the stress away.

But it doesn't stop there – there's a fully kitted-out granny flat downstairs, complete with its own bedroom and ensuite-style bathroom, perfect for guests, in-laws, or a sneaky Airbnb side hustle.

Out back, the fully enclosed yard is your private oasis. There's a paved area perfect for a fire pit and chairs or an outdoor dining table. There's a grassy area for the kids or fur babies – whatever your outdoor dream, it's got space for it.

This is more than a home, it's a vibe. FOUND your perfect match at 5 Kahibah Road, Highfields. Retro cool, modern living, and the lifestyle you've been craving – all wrapped up and ready for you.
