## **Sunny Family Home - 4 Bedroom + 2 Bathrooms**

You will get more than you bargained for in this neat as a pin, updated 4 bedroom, 2 bathroom family home.

Set on a flat block, the bright and sunny home welcomes you in with a fresh and modern feel and presents multiple living options. The sleek upgraded kitchen is the hub of the home and flows nicely into the dining/sunroom. A fabulous large deck and outdoor entertaining area will be your go-to zone for relaxing and entertaining and watching the kids play. Thanks to its north-facing aspect, it basks in all-day sun.

Upstairs you will find the generous master suite complete with a balcony looking out over the garden. Claim the entire upper level as a parent's retreat or use the bonus room as a rumpus room for the kids, office, or as a quiet 2nd living space.

The home is surrounded by lovely low-maintenance gardens and a double garage provides secure parking and storage space, and additional parking space is available along the driveway.

Located just moments from local schools, conveniences and the Kings Meadows shopping precinct, this property will appeal to the 1st home buyer or investor.

There is so much to love about this value packed home.
