The Ultimate Family Retreat in the Heart of Cannonvale – Whitsundays

Nestled on a generous 2,444m² block in a quiet cul-de-sac, this home perfectly blends space, privacy, and premium features. Thoughtfully set back from the road, the property exudes tranquility and is filled with natural light, thanks to wrap-around decks, French doors, and stunning raked ceilings.

The expansive undercover deck is ideal for entertaining large groups or simply relaxing with family. It flows seamlessly into the Bali hut-style pool area, perfect for enjoying warm summer days. The beautifully landscaped gardens offer endless possibilities for outdoor living, with a kids' cubby house, a fire pit, and plenty of room to kick a footy. This is truly the perfect setting for family fun, relaxation, and entertaining.

Inside, the home offers spacious living areas, with every bedroom featuring built-in robes, air-conditioning, and ceiling fans for year-round comfort. The master suite is a true retreat, larger than most living rooms, complete with French doors opening to the decks, a walk-in robe, and a contemporary ensuite.

The lower level adds even more versatility, with a double lock-up garage, and 2 additional rooms. Plus, there's a separate granny flat-ideal for guests or room for extended family.

The vendors have already moved into their new home, and this fantastic property is now available for you to move in just in time for Christmas!
