There is no better place to raise a family than a low-traffic cul-de-sac - and here is an exciting opportunity to do just that, merely moments to Highett's vibrant retail & dining hub and the attractions of Southland shopping centre. Well-presented and ready to move into, the home includes an elegant lounge & dining room, a casual meals area - which leads to the decked alfresco area - plus a well-equipped kitchen complete with handy breakfast bar, substantial storage and a gas cooktop. Each of the four bedrooms are positioned away from the home's social areas, including the master with walk-in robe. The remaining bedrooms all boast built-in robes, while two bathrooms are among the family-pleasing inclusions. A full laundry, split system heating/cooling and ceiling fans are all offered, and the home has the convenience of ample off-street parking, including a double garage and raised carport - perfect for boats or caravans. On approx. 638sqm, with a desirable northerly rear, the home is within easy reach of Moorabbin Primary School and in the coveted Cheltenham Secondary College zone.
