Exquisitely Renovated Victorian Charm

A meticulously curated renovation has transformed this classical 4 bedroom plus study nook high set Victorian residence into a modern-day masterpiece with its period attributes including a bonded roof, return bullnose, tessellated tile verandah, brick driveway, 3-meter-high ceilings flowing through the triple arched hallway featuring intricate detailing & pressed panels.

Opening to a formal sitting/family room with stunning bay windows, four generous bedrooms, all with BIRs, master with WIR & ensuite. The central bathroom is spacious and features a corner spa while the laundry/mudroom has ample cupboard/bench space and offers a double trough sink.

A light filled entertainers' kitchen is equipped with a Calcutta stone island bench, 900 mm oven, 5 burner cooktop, F & P dishwasher, black sink with accents and adjoins a meals/second lounge room. With easy internal access to a four-car garage/studio the rear roller door leads you to a lofty alfresco to tantalise home entertainers with a built-in brick BBQ & direct line gas.

Creating an attractive street presence that is perfectly in sync with its heritage, this fine abode proudly merges high end appointments with family friendly proportions & proximity to elite private schools & walking distance to Hawkstowe train station.
