Sophistication by Lake Glenmaggie

This elegantly appointed four bedroom home is presented to the highest standards throughout. Large open plan living room, dining and kitchen with butlers pantry and cafe window to outdoor entertaining area. Each bedroom is generously proportioned with BIR's and the Master bedroom has WIR and Ensuite. Outside is a spectacular firepit area, a further undercover outdoor entertaining space and a large recreation room with bar and ample room for the pool table, lounge and tv will be an excellent family space. The property also features a series of three sheds. The first being a large garden shed complex, the second a single car garage and the main shed with 3 bays, highset door combined with two normal remote access doors, a mezzanine and all the space you could dream of for the caravan, boats, bikes and jet skis. Light, bright and modern throughout this is a home worth considering.
