Tranquil Luxury with Unrivalled Bay Views

Serene, practical and soothing with its subdued and updated luxury, this exquisite 4-bedroom, 2-lounge home on a natural 1,317 sq. metre (approx.) allotment boasts incredible views over Port Phillip Bay, meticulously crafted to provide a life unlike any other.

Iconic and ever-changing views over the McCrae lighthouse to Hovell Pile are best taken in from the entertainer's balcony, sweeping out from a fireside lounge and dining area that underscores easy-care living at its very best. Create and entertain in the island kitchen and its suite of premium appliances, where a unique ceiling profile continually draws the eye out to the beautifully framed water scenes.

A second lounge to one side invites evening peace and privacy, leading to a decadent master's suite with a walk-behind dressing room and a lavish ensuite, with two additional ensuite bedrooms and a fourth with a walk-in robe privately poised along the quieter hallway. A venture downstairs introduces the double garage beyond a triple carport, complete with extensive under-home storage, a large home office, and a built-in sauna room, ensuring health for your body and mind is always central.

Rear street access to Arthurs Avenue is ideal for the tradesperson needing extra storage space, opening to a 7.4 x 8.7m (approx.) garage/workshop with shelving. Complete with split-system air conditioning, ceiling fans and exquisitely landscaped gardens, it's the perfect permanent home or holiday retreat, just over an hour from Melbourne and just moments from McCrae Plaza and foreshore, Arthurs Seat State Park, award-winning wineries and epicurean experiences, world-class golfing endeavours, and easy freeway access.
