Spacious living on 729 SQM close to the CBD

Welcome to 5 Ryan Avenue, Nowra, a beautifully renovated gem on approximately 729 sqm, offering comfortable and contemporary living just moments from Nowra CBD.

This three-bedroom plus study home exudes style from the moment you arrive. Hardwood timber floors flow through much of the home, including the light-filled, northfacing living area, where a sliding door opens to the back deck, inviting you to relax and soak up the northern sunlight overlooking the immaculate backyard.

The open-plan design effortlessly connects the living and dining spaces, leading to a well-equipped kitchen featuring abundant bench space, stainless steel appliances, including a gas cooktop, electric oven, and dishwasher-making meal prep a breeze.

All bedrooms are neatly positioned on one side of the property and feature carpet and ceiling fans for comfort. Outside, the fully fenced backyard is a peaceful retreat with vibrant gardens, lush lawn, garden beds, and a children's play area complete with a sandpit.

A large shed and tandem carport, along with side access, add extra practicality to this move-in-ready home
