WELL POSITIONED POCKET PLEASER

Great location in a small cul-de-sac, town water, solid block, solar panels, a 4028m² block that allows you privacy, space and a rainforest backdrop.

Looking for value for money entry into the emerging Kuranda market? This property offers the lucky new owner plenty of scope to add their own touches and add value. This is an affordable great first family home, or a rock-solid low maintenance investment in a tight rental market.

The gardens will inspire the avid green fingers, with all the gorgeous little pockets to enjoy. This property has been well loved.

The extra room in the home, can be enjoyed as a third bedroom or second living space and there is plenty of room for parking plus a small workshop space. Plenty of opportunity to be creative here.
