## Stunning Family Home in Shepparton - 5 Studebaker Court

Price Guide: \$850,000

Welcome to your dream home! Nestled in the heart of Shepparton, this exquisite 4-bedroom, 2-bathroom plus study residence offers an unparalleled combination of modern design, luxury, and comfort. With a generous 690 sqm block and a spacious 10 x 6 sqm shed, this property is truly built for both relaxation and grand-scale entertaining.

The home boasts 4 spacious bedrooms, with the master suite featuring a private ensuite for ultimate privacy and convenience. Both elegant bathrooms are designed with contemporary fixtures and high-end finishes, providing both style and function. The chef's kitchen is the heart of the home, equipped with a convenient floor plan, along with ample storage, and a sleek design that makes cooking a true pleasure.

The expansive open-plan living and dining areas are flooded with natural light, creating a perfect space for casual family moments or sophisticated entertaining. Step outside to your own private retreat—a stunning backyard with a sparkling solar heated swimming pool, ideal for hot summer days, alongside a beautifully landscaped yard with lush greenery and plants. With a two-car garage, and a 60 sqm shed with road access, there's plenty of space for vehicles and storage.

Located in a peaceful neighborhood close to parks, schools, and local amenities, this property is perfect for families who seek both convenience and serenity.

This exceptional home blends style, space, and modern living in a way that's hard to find in Shepparton. Whether you're looking for a beautiful family home or a luxurious space to entertain, 5 Studebaker Court delivers on all fronts.
