Bliss Grayson

The Rosemary House?

Welcome to The Rosemary House, a timeless beauty from the 1920s, where vintage charm meets modern comfort.

This home has been lovingly restored and radiates character with every detail. Its rich history is woven through every room, from the freshly polished timber floors to the high ceilings and elegant design.

The romantic front deck invites you to unwind as you watch the world drift by, with the benefit of no residential neighbours across the road, whilst the covered pergola sets the scene for evenings spent with friends under the stars and for entertaining family and friends.

Every inch of The Rosemary House has been meticulously updated, with a brand new roof, steel adjustable stumps, and a fresh coat of paint inside and out.

The kitchen and bathroom have been beautifully refreshed, blending old-world charm with sleek modern finishes.

All three, generous sized bedrooms feature built-in robes and ceiling fans, (with the master having air-conditioning), offering plenty of space for your most cherished possessions.

The spacious lounge room offers air conditioning to keep the home cool throughout and inviting throughout the seasons.

The grounds are an oasis with fresh landscaping, fresh turf, and a spacious 6 x 6.6m x 2.3m high carport—perfect for cars, boat or even a caravan. Fully fenced and finished completely this home offers an easily maintainable yard, suitable for everyone.

With every corner of The Rosemary House designed for comfort and beauty, it's not just a house; it's a home full of stories waiting to be written.
