Brand new family haven with spectacular views

This brand new Noosa Heads haven was brought to life by a renowned long-term developer and is now ready for you to enjoy. Immaculately finished and simply spectacular, this is a property for those with an appreciation for quality, style and sophistication. High-end features, a thoughtful design and a full 6.5-year builder's warranty await the lucky new owners along with an unbeatable location close to everything this iconic destination has to offer.

The prized elevated position ensures the interior feels bright and breezy with an open-plan kitchen, dining and living room serving as the hub of the home. For the eager chef, the kitchen will be a dream come true with a large island, sweeping countertops and a suite of premium appliances along with a great-sized butler's pantry.

From here, you can move effortlessly to the covered entertainer's patio and sparkling east-facing pool plus there are rare full-use front and back yards, ideal for the hustle and bustle of busy family life.

A versatile sitting room also opens to the outdoors and extends the ground-floor living space even further while a powder room, full bathroom and a laundry room complete this level. Depending on your needs, this bonus sitting room could be transformed into a fifth bedroom, complete with an ensuite, to accommodate guests.

An open family room is perched at the top of the stairs with a wall of sliding glass doors leading to the expansive balcony. This show-stopping outdoor area boasts panoramic views towards both Sunshine Beach and Sunrise Beach and will be a favourite place to unwind with a refreshing afternoon drink. Four bedrooms and two full bathrooms are also on this second floor including your master with a walk-in closet, a luxe ensuite and direct access to the balcony.

Completing this incredible offering is the attached double garage, ample storage throughout, a great-size lot and manicured landscaping with an irrigation system. You will live along a quiet street yet enjoy being just minutes from the bustling Noosa Junction, Hastings Street and Noosaville with endless shops, cafes, restaurants and entertainment to explore.
