Josh Stokes

The perfect family base.

Designed with a clear understanding of family lifestyle requirements, this double storey home on 888sqm approx. presents the perfect base from which the family can flourish with spacious internal dimensions, superb outdoor entertaining and a family-friendly position directly opposite Gladesville Primary School.

Stepping into the home, a wonderful lounge rests before an ambient open fireplace and benefits from a brilliant bar (perfect for serving drinks), while the adjacent rumpus room affords an enviable indoor-outdoor atmosphere with sliding doors opening onto a cosy deck and patio at the front of the home, as well as a large covered entertaining deck and generous backyard at the rear.

Beautifully bright thanks to a bank of windows, the spacious meals zone and family room boasts in-built window seats and forms a superb social hub when entertaining, wrapping around a skylit kitchen with stone benches, glass splashbacks, Westinghouse appliances, walk-in pantry plus a breakfast bench.

Offering space for every family member, the five bedrooms all benefit from built-in-robos; master with heaps of closet storage and a ceiling fan, complemented by a bright family bathroom, separate toilet and an upstairs bathroom with private toilet.

Complemented by the inclusions of a massive laundry with lengthy workbench and double trough, ducted heating, split system air conditioning, ceiling fans, shed/workshop plus a double carport.

Enjoy a lifestyle like no other, opposite Gladesville Primary and within walking distance to Kilsyth Primary, St Richard's Primary School, Kilsyth Sports Centre, reserves, parkland and buses, close to Yarra Hills Secondary College, Churinga Shopping Centre, Canterbury Gardens Shopping Centre and major arterials.
