Ultimate Family Lifestyle on 710m2*

Nestled on a sprawling corner allotment of approximately 710sqm, with breathtaking views over the serene Grasslands Reserve, this exquisite 5-bedroom plus study residence epitomizes family luxury. Thoughtfully designed and impeccably appointed, it offers an unparalleled lifestyle with sophisticated living and entertaining spaces, both indoors and out.

Awash with natural light, the home boasts a versatile floorplan adorned with multiple living zones (4 separate living areas), including a grand upstairs lounge and parent's retreat that opens onto a balcony with picturesque parkland vistas.

The heart of the home is the gourmet kitchen - a true celebration of refined living and culinary excellence. With stunning stone benchtops that exude elegance and durability, paired with a designer-inspired splashback that adds a touch of artistic sophistication. A spacious walk-in butler's pantry offers an abundance of storage and workspace, ensuring everything is perfectly organized and within reach. Thoughtfully crafted to cater to both form and function, this kitchen also features exceptional storage solutions, seamlessly blending practicality with style. It's an inviting space where every detail has been meticulously designed to inspire and delight.

Embrace the spaciousness of an open-plan living and dining area, beautifully crafted to bring the family together. Large stacker doors blur the line between indoors and outdoors, creating a seamless connection to the spacious alfresco area. This sophisticated design invites effortless hosting, offering the perfect setting for stylish gatherings, intimate dinners, or simply unwinding in the serene ambiance of your home.

Every element has been thoughtfully designed for effortless luxury, featuring: walk-in-robos to all bedrooms, laundry chute, ducted heating, cooling, polished concrete floors, bespoke window furnishings, a spacious laundry, linen storage, an oversized remote-control double garage with internal access, large gate/side access and a lush grassed area ideal for children and pets to revel in.

Sophistication, space, and a prime location - this is contemporary family living at its finest!
