This home is thoughtfully designed for contemporary living, featuring a separate formal lounge at the entrance, an open-plan kitchen with plenty of storage, and a spacious family/meals area that leads to a fully decked rear yard. It offers three bedrooms, including a master with an ensuite and walk-in-robe, while the remaining two generous bedrooms come with built-in robes. The main bathroom is also a good size. Additional highlights include carpeted areas, ducted heating, a split system, stainless steel kitchen appliances, high ceilings, and a single remote-control garage with internal access, among many others. Don't miss out - schedule your inspection soon, as this property won't be available for long!
