Four bedroom storybook cottage close to all amenities

Gabled windows, leafy gardens and inviting pathways bring instant street appeal to this two-storey property close to Faulconbridge village. Living and sleeping accommodation set over the two levels creates a flexible floor plan that will suit a range of family situations.

- Attractive traditional double storey home with four bedrooms and multiple living spaces
- Formal lounge/sitting room at front of home with feature fire place is perfect for entertaining
- Full-length open plan dining/family room at rear with s/s air-con and gas heating
- Rear covered patio extends living and entertaining space and overlooks gardens
- Light and bright galley kitchen has excellent storage and food prep space
- Family bathroom with shower over tub; second powder room on upper level
- Master bedroom on lower level
- Three good sized bedrooms on upper level, all with dormer windows, one with WIR; study nook
- Fantastic safe rear garden with variety of plants, shrubs and trees; inviting nooks to sit
- Garage with laundry at rear plus double carport; screening trees for peace and privacy
- Faulconbridge village shops, station and public school all within walking distance
