A Chic Re-design of a Brick Classic

Beautifully transformed, this three bedroom, plus study, two bathroom single-story brick home exudes charm with its stylish all-white palette and modern finishes. The layout boasts a separate lounge and a bright kitchen-dining area, showcasing elegant pendant lighting and stainless steel appliances, alongside a pantry and cosy breakfast bench. The Northeast-facing patio invites alfresco dining, set amid low-maintenance grounds and complemented by a tool shed. A chic adjacent study zone enhances the home's functionality, offering an ideal workspace. The private master suite at the front includes an ensuite, ceiling fan, and walk-in robe, while two additional bedrooms with built-in robes share a stylish family bathroom and separate toilet. Comfort is assured with plush carpets, central heating, and evaporative cooling. Additional highlights include LED downlights, blackout roller blinds, an alarm system, linen storage, and a well-appointed laundry. A double garage with rear roller access and extra off-street parking completes this impressive package. Conveniently located near buses, river trails, medical facilities, and freeway.
