1,223M2 BLOCK WITH RURAL VIEWS

Homes in this pocket of Abercrombie Drive that offer access and views to a spectacular walk way along the Macquarie River don't often hit the market and when they do they don't last long. Immaculate in its presentation inside and out 54 Abercrombie offers the buyer an exciting opportunity to move in and to put their touch on a home that's been held for close to 30 years.

54 Abercrombie Drive offers the following features:

- A huge 1,223m2 block offers ample room for the family to enjoy and space to expand
- Access to the rear to a spectacular walk way along the Macquarie River providing easy access to parks, the Bathurst Driving Range, All Saints College and if you're keen a walk or bike ride right into the CBD
- Inside, the formal dining and sunken formal lounge room offer lots of space for growing family
- 3 bedrooms all with built in wardrobes and the main bedroom complimented by an ensuite
- The family and meals area along with the kitchen are all positioned at the rear of the home and take in the best of the rural views on offer to the rear
- The pergola spans along the rear of the home and takes in the morning sun
- Additional features include a garden shed, gas heating and under house storage

A property truly worthy of your inspection. Contact Brent Osborne today on 0422 384 202 to arrange your viewing.
