Created, constructed and completed with a focus on expert craftsmanship in 1978, this outstanding home has been in the same family hands ever since. Now, after 47 years, the opportunity to own and enjoy its flexible spaces and consider the scope suggested by its significant 1275sqm allotment represents a wonderful opening in a prime setting close to Kings Meadows High School. Original street presence that reflects the home's enduring appeal - An inviting living room delivers family friendly space and style. Separate dining area flows to the perfectly maintained kitchen - Quality timber cabinetry, a walk-in pantry - and superb views. Main bedroom features a walk-in robe and renovated ensuite - Two further are served by a central family bathroom. Substantial lower level dimensions offer total family versatility. Huge games/recreation room includes its own integrated bar. Secure three car garage has front and rear roll-a-door access. Alfresco terrace overlooks the established rear garden's lawns. Rear zone of the allotment offers sub-division options, STCAA property that combines the past, the present and prospects. Ideally equipped to meet multi-generational living preferences. Families and new home buyers alike will love the space and scope.
