3-Bedroom Family Home in "The Mount"

Discover this three-bedroom home nestled in the picturesque Mount Morgan's Walterhall suburb. Known for its welcoming community and serene atmosphere, you are sure to fall in love with the town. This residence is perfect for those looking to settle into a more relaxed way of life. The spacious layout includes a well-appointed kitchen, a bathroom fitted out with decorative tiles and the laundry and a shed, making it ideal for families or those who enjoy having extra space.

The home needs a bit of TLC and some new life breathed into her but she has many years left in her and she is well priced and done so according to her condition. At this budget price you won't find anything else on the market that provides so much, for so little, making her well worth a look to see if she is the one for you!

In addition to the 3 bay colourbond shed with centre roller door pass through, there is also an older shed up the back with a bit under cover space and another area at the rear id the home that under cover as well and enclosed on 3 sides it is accessed via the undercover timber decked path that runs the length of the left side of the home.

Mount Morgan is renowned for its family-friendly amenities and proximity to local parks and recreational areas. Enjoy leisurely weekends exploring nearby green spaces or take advantage of the local shopping precincts just a short drive away. The suburb's educational facilities, including Mount Morgan State School, make it an attractive option for families with school-aged children. With easy access to public transport, commuting is effortless, connecting you to the broader region's attractions.

This property represents an excellent opportunity to secure a home in a sought-after location. Whether you're a first-time buyer or looking to invest, this is your chance to own a piece of Mount Morgan's charm. Act quickly to make this house your new home and experience all that this wonderful suburb has to offer. Don't let this opportunity pass you by contact us today!
