Jack Stean

A Stunning Family Domain

Modern, immaculate and stylish, this stunning, newly renovated home presents the perfect set-up for a growing active family in one of Albury's most sought-after areas. Live just moments from Albury CBD whilst enjoying space, privacy and a sweeping outlook.

The beautifully appointed kitchen is centre to the open plan kitchen, living and dining area all designed to capture the natural light. Situated on the main floor, four generous bedrooms provide plenty of space for a range of ages and stages.

Furthermore, the renovated master bedroom acts as a serene retreat, boasting stylish ensuite and massive walk-in robe. Upstairs is a 5th bedroom, home office or guests retreat fitted with ensuite and robes.

Step outside to a private, spacious entertainer's backyard, where a large outdoor deck awaits. This expansive area is perfectly designed for hosting gatherings, whether casual or formal, offering ample space for dining, lounging, or simply enjoying the outdoors. The backyard also features established vegetable gardens and fruit trees, adding both beauty and practicality to the space.

Perched in Old East Albury, close to parks, cafes and the bike path into Central Albury, 569 Electra Street provides a rare combination of period features and modern improvements and is a must to inspect.
