Built to Impress - Ex-Display Home Near Sovereign Town Centre

One of the advantages of purchasing an ex-display residence is the assurance of quality construction, with meticulous attention to detail. This stylish home, timeless in design, offers a well-designed layout that caters to the modern family or those seeking space and privacy.

Perched on the high side of the street, the low-maintenance 588m² block boasts an elevated north-facing aspect that captures abundant natural light, gentle coastal breezes, and peaceful views of the picturesque surroundings. The current owners delight in hearing the distant roar of lions from nearby Billabong Zoo, along with convenience to everyday facilities and the CBD, just a 10-minute drive away.

Wake up to tranquil vistas from the spacious primary bedroom, complete with a walk-in robe and a modern ensuite that opens onto outdoors. For quieter moments, retreat to the separate lounge/media room. The heart of the home features an open-plan kitchen, family, and dining area that flows onto an alfresco entertaining area and secluded backyard, your very own personal oasis for relaxation or get-togethers.

Wait until you see the lush gardens filled with established tropical plants and a delightful array of herbs and fruit trees, including elderberry, lemon verbena, thyme, mint, parsley, turmeric, blueberries, oregano, lemongrass, and bay leaf, to name a few. Imagine the creations you could whip up from those!

At the rear, discover three additional generous bedrooms, a bathroom that includes a bathtub, a well-appointed laundry, built-in storage, and an oversized study area that can double as a children's retreat or whatever suits your needs.

For immediate move-in, the interior has been recently repainted, and new carpets have been installed throughout. Soft neutral tones provide a blank canvas to decorate as you wish.

Further notable features include ducted-zoned reverse cycle air conditioning, split system heating and cooling in the double garage, workshop space, radiant floor tiles, a walk-in pantry, and a stainless steel freestanding Westinghouse gas cooktop and electric oven, along with a dishwasher.

Ideally located just 350m from the local shopping centre with its trendy cafes, a supermarket, chemist, liquor store, boutique shops, and a newly refurbished playground for the kids. The highly regarded Discovery Early Education Centre and St Joseph's Regional High School are also close by.
