Peter Gourdouros

Big Family Living with Privacy and Beachside Position

Cherished by the same family for over a decade, this versatile four-bedroom 2-living zone, or five bedroom home is a captivating coastal sanctuary, perfectly suited for large or growing families. Just 70-metres from the sun-kissed sands of Bonbeach, it promises an enchanting beachside lifestyle where the coastline is on your doorstep.

With breath-taking bay glimpses that enhance its allure, the dual-storey design invites you to bask in the tranquillity of seaside living, while remaining within easy reach of both Bonbeach and Carrum Train Stations, Bonbeach Primary School and Patterson Secondary College.

A high-walled frontage ensures your outdoor enjoyment remains private, while a thoughtfully designed first-floor social domain elevates everyday living, keeping the coastal charm in focus. Seamless living, dining, and sitting areas flow together with an entertainer's kitchen, featuring dual under-bench Bosch ovens, an electric cooktop, dishwasher, and a generous island bench perfect for gatherings. A beach-facing balcony takes entertaining outside, with large proportions ensuring comfortable space for all.

Versatile in its design, it presents a flexible accommodation layout that features either four bedrooms and two separate living zones, or five inviting bedrooms, with both featuring a top-floor guest suite with walk-in robe, and a ground-floor master retreat with walk-in robe and ensuite. Split-system heating and cooling, a gas fireplace, powder room, solid timber floors, a hardwired CCTV system, and a tandem carport further enhance the home's appeal.
