THERE'S MORE.... So much more!!!

- Large block – 1821m²
- Dual access from Main Street as well as the Bruce Highway
- 4 air conditioned bedrooms plus air conditioned rumpus room
- 2 bay shed plus single garage
- Solar – 30kw dual phase with two invertors

If you have been searching for a home that offers extra space for the parking of multiple vehicles and has the bonus of dual access from both the Bruce Highway and Main Street at Bakers Creek, don't miss the opportunity to view this property.

Fully fenced for piece of mind, as well as a two bay shed which offers secure coverage for one vehicle plus a single garage providing direct access into the home with the convenience of an electric roller door.

Timber flooring throughout (with the exception of the rumpus room) gives this home a cool and comfortable feel. The kitchen complete with timber benchtops, overhead cupboards and gas stove is positioned adjacent to the dining and large air conditioned lounge room.

A set of internal stairs leads upstairs to four bedrooms that are all fitted with split system air conditioners and ceiling fans.

Also on this level is the family bathroom with tiled floor and shower over the bathtub.

Another set of internal stairs leads downstairs and offers direct access to the garage as well as the rumpus room and laundry. The rumpus has been finished with tiled flooring, split system air conditioning with double sliding doors providing access to the front yard of the property. You also have the convenience of an additional toilet located in the laundry.

If you are a family who enjoys relaxing outdoors you have choice at 58 Main Street. An extra large undercover entertaining area is accessed directly from the dining/kitchen and is ideal for those family gatherings. Alternatively you can sit and relax on the side deck whilst enjoying that cool drink in the afternoon.

The final bonus if you have a growing family, is that within walking distance your children can access the local Primary School or the High School Bus Stop.

This is a home that offers room for your family both inside and out so please call Glenis Wilson 0428 785 385 to arrange your personal viewing or alternatively look out for the OPEN HOME as advertised.
