WONDAI CORNER

We are delighted to offer for sale this immaculate 3 bedroom home right in the heart of the rural town of Wondai. Set on a corner block with manicured gardens and surrounded by a Colorbond privacy screen, the home is at ground level.

Entry is into the large open, air conditioned dining room bisecting the kitchen from the living area redesigned from the single garage. The bedrooms are in the Northern wing with the bathroom.

Outside is a covered entertaining area adjacent the workshop and garden shed. A single lockup garage and double bay, high clearance carport account for the exterior buildings. The property also boasts 5.5 kw solar to the grid.

This property is a green thumbs paradise with rich beds of high-quality garden soil, souped up with mountains of mulch, producing a family load of vegetables and abundant colour.

Inspections are by appointment only.
