Discover the perfect opportunity to enter the property market with this delightful 2-bedroom home on Brockman Road, Midland. Built in 2008, this residence offers a comfortable and practical living space, ideal for first-time buyers or savvy investors looking to expand their portfolio. The well-maintained interior features a modern design that makes efficient use of its 86m² build area, ensuring every corner of this home is both functional and inviting. Other features include 2 reverse cycle air-conditioning units, spacious kitchen with gas cooking, 22m² balcony for your outdoor entertaining and 2 car parking bays which is hard to find in these type of complexes. Located in the heart of Midland, this property benefits from its proximity to a range of essential amenities and vibrant local attractions. Enjoy easy access to shopping centres, dining options, and public transport links, making daily commutes a breeze. Families will appreciate the nearby schools, providing quality education within a convenient distance from home. The suburb's community spirit and growth potential further enhance the appeal of this affordable gem. Act quickly to secure this ultra-cheap opportunity in one of Midland's most sought-after locations. Whether you're stepping onto the property ladder or seeking a valuable addition to your investment portfolio, this home offers unmatched potential. Don't miss out—reach out today to make it yours!
