Sunlit family oasis

Bathing in all-day sunshine, this expansive two-storey family home offers a flexible floorplan, indoor/outdoor entertaining options, and mesmerising mountain and water views—all from a highly convenient location.

The spacious, cohesive living area includes space for the whole family, featuring a cosy carpeted lounge, formal dining space, and enviable kitchen. Both the terrace, a perfect vantage point for the view, and a private timber deck for alfresco living bookend the space.

The sleek kitchen boasts quality appliances, cabinetry, and countertops, incorporating a central waterfall island bench that provides convenient casual dining. In addition to the main living area, a family room is also available, with access to the rear deck.

Generous accommodation includes up to six bedrooms, five with built-in wardrobes. The enviable master suite features a walk-in wardrobe and private ensuite complete with shower, toilet, and floating vanity.

The lower level houses one of the bedrooms, a powder room, additional storage, and a spacious garage with a dedicated workshop. Further off-street parking is available in the driveway. Outside, the backyard is fully fenced and lined with established greenery, providing generous lawn space and a play area for the kids.

Elevated above Oakdowns, with sweeping views across the suburb, Eastern Shore, and the sparkling waters of the River Derwent, this exquisite home offers luxurious family living within a peaceful, contemporary, and sun-filled setting.
