Pristine Acreage

Nestled amidst the idyllic tranquillity of a very quiet cul-de-sac, this enchanting acreage property presents a rural lifestyle opportunity that exudes country charm and modern functionality. With a generous land size of 4017 square metres, this beautifully maintained estate offers a sense of space and freedom that is becoming increasingly rare.

Boasting five spacious bedrooms and two well-appointed bathrooms, this semi-rural residence has been thoughtfully updated within the last 15 years; the kitchen and bathrooms still showcase excellent condition, blending contemporary appeal with enduring quality. The multiple living and dining areas create a warm and inviting atmosphere, perfect for family gatherings or simply enjoying the peace of the countryside.

Outdoors, the estate reveals its true glory. The level land is a canvas for outdoor pursuits, while the concrete inground saltwater pool, with its 2-metre depth at the centre, promises endless summer fun. A charming rustic woodshed adds character to the verdant landscape, while the convenience of a single garage attached to the house, a double garage adjacent, and a double carport, provides ample parking and storage solutions.

The property also offers the unique feature of drive-on access across the entire block, enhancing its usability and appeal to acreage buyers seeking ease of maintenance and accessibility. With less than 2km to the local high school and a Woolworths supermarket, the blend of rural lifestyle and urban convenience is perfectly balanced.

This is a haven for those seeking a serene escape without compromising on the comforts of modern living. A lifestyle property that promises to captivate and enchant - an acreage dream ready to be realised.
