Large Family Home in Great Location

This spacious two-storey, three-bedroom family home is nestled in a quiet street in the sought-after area of Gerringong, offering a peaceful retreat while still being close to local amenities. Set on a generous 650sqm block, this property is ideal for growing families or anyone seeking extra space.

As you enter, you are greeted by a spacious layout that leads you to the heart of the home – a large open-plan dining, kitchen, and living area. The functional kitchen features ample storage and stone benchtops. Step down to the living room, where large windows allow natural light to flood the space, and timber floorboards add warmth and charm. A cozy wood fireplace keeps the room inviting during the cooler months, while air conditioning ensures comfort all year round. The living area seamlessly flows to the adjoining undercover deck, perfect for relaxing and entertaining while enjoying stunning mountain views.

The upper level boasts three generously sized bedrooms, all with built-in robes, and a ceiling fan in the master for added comfort. The convenient three-way bathroom features a separate bath and shower, perfect for busy family life. An additional study on this level offers space for a home office, playroom, or more.

The downstairs area is a very flexible space, benefiting from its own private access and offering a further living room, second separate study, and second bathroom. The renovated laundry has external access and plenty of space and storage, ensuring ease of daily living.

Storage is never an issue with a large under-house area, perfect for keeping all your belongings organized. A double carport provides secure parking, and the bonus side access allows space for a car, trailer, or even a boat. The fully fenced yard is great for children and pets to play safely, while the garden shed offers additional storage.

Positioned on a quiet street close to the primary school and pre-school and a playground just down the road makes it the perfect place to raise a family, or for retirees to entertain grandkids, and is an easy walk to shops and transport. This home truly has it all – a great location, ample space, and the perfect setup for family living.
