Offering all the comforts needed for extreme low maintenance living, this stunning Pavilion home purposely designed to capture the very essence of the Far North Queensland lifestyle is a must to inspect. Light, bright and spacious, this Kewarra Beach home is nestled in the Seabreeze Estate in an exclusive cul-de-sac location with parklands, soccer fields and the beachfront nearby! With extreme high quality finishes, including Caesar stone bench & vanity tops and split system air conditioning throughout, this designer home offers the best of inside and outside entertaining. The central open plan living zone, flows directly through a double set of extra wide opening stacker doors out onto the timber decked poolside Pavilion that overlooks the glass fence streamlined in ground pool. All three bedrooms are very generous in size, with the master bedroom suite complete with his & hers robes, a supersized ensuite with separate toilet. There is also the benefit of a fourth room that is easily suited as a bedroom, media room or large home office that leads directly from the main living through internal bifold doors. With breezes galore and a picturesque Earl hill outlook, this property presents the perfect stylish, easy care entertainer and inspection is a must!
