Immaculate Rangewood Acreage – Your Ideal Retreat for Space, Comfort, and Lifestyle

Escape the hustle and embrace the tranquillity of this stunning almost 2-acre Rangewood property, designed with ample space for any lifestyle. This well-appointed acreage is perfect for families with horses, goats, or other animals, and offers abundant room for equipment and recreational activities. A four-bay shed with three roller doors stands proudly next to the home, providing an ideal space for storage, while the immaculately maintained grounds, fully irrigated with bore water, create a lush, carpet-like landscape that's truly a sight to behold.

Step inside to a beautifully refreshed interior, with a neutral colour palette and freshly painted walls that suit any décor style. Multiple living areas make it versatile for families at any stage, while brand-new timber-look flooring throughout the bedrooms and an upgraded, spacious master suite create a retreat-like atmosphere. The renovated ensuite and two-way access main bathroom add a touch of luxury, and the generously sized living areas flow seamlessly, with a galley kitchen at the heart of the home, open to the dining area and formal lounge, ideal for relaxing at the end of the day.

Additional lifestyle features make this property stand out, including a fully enclosed, air-conditioned space that can be used as an outdoor entertaining area, adding even more flexibility to this exceptional home. With horse stables, a fenced paddock, and top-notch upgrades throughout, this property is move-in ready, offering an unparalleled lifestyle on spacious acreage. We can't wait to show you all it has to offer!
